## King Lashes Capital Improvement Committee On Its Tax Decrease

Left to right, the expert crew of Santa Anita Pools include: Art Rule, 12 years in the pool business; Jack Rutherford, nine years as pool repairman; Bill McDonald, 3 1/2 years with Santa Anita as maintenance man; Paul Rule, son of Art, 3 years as employee, but raised in the business; and Rick Mueller, youngest member, with one year service, but dependable as a maintenance man. Here's the crew with the know-how to solve all of your problems. You can depend upon them, and their work is guaranteed by Rose and Fred Zapata, new owners as of July 1.

### FORMAL OPENING AT CYCI'S

From the opening of Cylci's some two years ago in a business building consisting of only 550 square feet, the demand for a complete line of the finest in home furnishing and gifts have caused the business to expand to new quarters which now have their Formal Opening in a building containing 6000 square feet, almost 12 times its starting size.

Cylci's is owned by Donna and Woody Woodruff who have lived in Sierra Madre at 66 Oak Meadow Drive for the past three years, but Donna and her mother are both natives of California. Donna has been doing interior decorating for the past eight years, in addition to being painter with several "one-man" art shows to her credit. It was at the tender age of ten years that she realized the first sale in paintings, and specializes in landscapes, seascapes and florals.

This is truly a fine addition to the City of Sierra Madre, a firm that cannot only offer outstanding services in decorating and interiors.

### Tournament Team Announced

#### Baseball Association To Host Area Tournament

Although Sierra Madre Little League season has been concluded with the Hartman Pharmacy and Gem Plumbing Yankees winning the pennant, the national aspect of this extensive organization continues through Area Tournaments. This year the Sierra Madre Baseball Association has been selected to host the Area games. Bob Talbot, manager of the Indians, was chosen Area 3 Tournament Director and under his capable guidance the committee is completing their plans for the two-day event. Any questions concerning tournament play can be answered by calling Bob at 355-6755.

It gives the Sierra Madre Baseball Association great pleasure to announce the following boys will be on the 1966 Tournament team: Frank Ecker, Douglas Otte, Mike Stuart of Civic and

Lions Club Indians; David Tucker, Paul Taquino of Arnold's Hardware and Röss Market; Braves; Kam Kuwata, Paul Hardy, Pat Ryan, Mark Burke, Vincent Vine of Gem Plumbing and Hartman Pharmacy Yankees; Gordon Mitchell, Jeff Larson, Bill Hartley of Toy & Patio Red Sox; Tom Nicko.

### After Us, Everybody's First

#### Sierra Madrean Wins First; Office Also Takes First

Flamingo Properties recently climaxed their Pacific Isle Contest with a gala Hawaiian breakfast at the Flamingo Motel. All personnel from the Arcadia, Sierra Madre and Duarte-Monrovia office were present, along with Mr. Walter Murdock of Flamingo Insurance Service, who was an honored guest.

Contest winners were announced and presented with their prizes by Mrs. Henry V. McNulty, president of

Flamingo Properties. They included Carmella Rillorta of the Sierra Madre office, first; and from the Arcadia office, Corinne Salatti, second; Anne Pollard, third, and David Dux, fourth.

The San Simeon Gold Cup Trophy was won by the Sierra Madre office and will be proudly displayed there for the next six months. Clyde Draper, Sierra Madre office manager, accepted this award.

### Water Rate Increase Equals 18 Cent Increase; 3% Salary Increase Proposed

#### Does Not Believe In Lease-Purchase and Excess Costs

Although all comments relative to the setting of the tax rate was deferred until Tuesday evening, July 19 at the hour of 8 p.m., due to the lateness of the hour, Mayor Pro-Tem King, asked for and received 15 minutes to discuss the Capital Improvements Committee consisting of Maddox-Wagner on their proposed "tax decrease budget" and their proposed 20 per cent water rate increase.

As a member of the Per-

sonnel Committee, King stated that they were ready to recommend a 3 per cent salary increase to employees together with a new medical insurance program, and at the same time complimented employees on their high caliber, stating that WITH high caliber people much can be accomplished in spite of deficiencies in capital equipment.

Further, he presented charts showing the decrease of 5 cents per \$100 valuation in the tax rate, and the proposed 20 per cent increase in water rates. He definitely showed that the proposal of increased water rates was, in effect, an increase to the Property Owners that would equal 18 cents per \$100 valuation.

Further he flayed the committee on their proposal to purchase some \$45,000 in capital equipment on a lease-purchase agreement over a 3-year period which he stated would cost the City \$7,762.50 in interest costs. He suggested to purchase the high priority items now, paying cash and defer others until next year or year after.

Further he challenged the statements of Councilman Wagner on the deficiency in the water fund which was thoroughly explained by City Administrator Bevington and does not exist. Taking 100 properties King showed that the valuation was \$564,400 and water bills on the same property \$6,129.54. A savings in tax rates would be \$282. The increase in water rates would cost the property owners \$1225.90.

The real "hassle" over the budget will be forthcoming at the meeting Tuesday, July 19, when some inkling of the tax rate should be known, after other known challenges have been made.

The challenge of G. Norman Kennedy in behalf of Sierra Madre Estates, failed to stir the Maddox-Wagner Combine at this time. After presentation of his case and a denial of prejudice by Mr. Wagner and Mrs. Maddox, the attorney stated, "Neither one is telling the truth."

### Combustion Can Take Place

#### Clear Grass and Brush At Least 15 Feet From Building

by Gordon Baked Lloyd

Editor's Note: This is a second in a series dealing with fire prevention.

If you think brush and grass around your home should be tolerated, forget it! In one instance here in Sierra Madre, one resident insurance trebled because his neighbor wouldn't meet him half way in brush clearance.

That is the monetary angle. Let's look at the fire angle. When I used to fight fire in Napa County in the grass and low brush areas, I more than once could have seen a barn and a house saved if grass had been away from the buildings by only 15 feet! A real brush fire with a wind behind it won't stop at 15 feet that is true, but a slow moving one will, and at least there is a chance to make a stand in a cleared area.

At the moment we are not concerned with forest fires which rage through the tops of trees, but we are concerned with our brush areas that can do two things. First

a fire can start in this area close to a residence and spread and cause a greater fire. Secondly, a neighbor with lots of grass and brush up to their dwellings can have a fire start and if yours is not cleared, away goes your property too.

So maybe you can't clear all the brush and grass in one weekend. But begin to make a stab at it anyhow for the sake of your own place and the sake of the area you love. Who wants to look out all winter on a black land caused by sheer negligence?

Grass can become hot and dry and combustion can take place in just a few seconds with a fire that is almost impossible to stop.

—Please turn to Page 5

A PORTION OF THE GROUP of Sierra Madre Volunteer Firemen, reserves, their wives and children that enjoyed the annual Fourth of July picnic at the home of Mayor and Mrs. Frank Parks, on Monday. Plenty of food and drink was available and many of those attending spent

their time in the swimming pool. Fire equipment surrounded the home during the time so should any emergency call be received, men and equipment would be ready to answer.

## WE OBJECT!...

by Ralph Rule

### Recommends Quick Action

#### Mayor Pro-Tem King Gives Suggestions Against Noise

Recently the Sierra Madre News was given a statement from Mayor Pro-Tem Richard King concerning an ever-growing problem that time lately and which has been magnified many

alleviate this situation.

"My first thought was to reply to him personally. Then it occurred to me that perhaps others might also like to assist in this effort."

### Sierra Madre Youth Softball Teams Organized

The Sierra Madre Parks and Recreation Department announces the results of the July 1 sign-up for the youth softball team. There will be two girl and four boy teams participating in the softball league. The league will consist of girls and boys between the ages of 8 and 13.

—Please turn to Page 5

### J. Crawford In Festival This Season

John Crawford, son of Mr. and Mrs. K. W. Crawford, 512 W. Manzanita, will be participating in the Occidental College Summer Drama Festival this season.

A sophomore at the college, John will be playing the Duke of Venice in "The Merchant of Venice," a truck driver in "The Visit" by Durrenmat, and will sing in the Gilbert and Sullivan opera, "Patience," as a member of the male chorus.

He has been actively involved in productions on the campus, including Molier's "Imaginary Invalid" and Chekhov's "Cherry Orchard." The seventh annual Festival will open on July 14. The schedule for the rest of the shows will be "The Visit" July 15, 21, 23, 27, and Aug. 2; "The Merchant of Venice," July 19, 22, 28, 30 and Aug. 8. Performances will begin at 8:30 in the Hillside Theatre at Occidental.

### Building Still Drops

Comparison of new building valuation for the first six months of 1966 shows a decrease of \$1 1/2 million dollars under the like period for 1965.

Valuation for 1966 have been set at \$817,248 compared to \$2,228,879 for 1965. Total number of building permits issued for the month of June, 28 permits, valuation \$41,255. Street, electrical and plumbing permits issued 49, \$403.40. Plan check and permit fees \$303.50.

Business licenses for the month of June, \$536.50. Amount of license fees collected for the fiscal year \$20,648.45.

Other licenses include, 300 dog licenses, \$902; bike licenses, 20, fees \$20.

Dear Editor:

Attached is a copy of a letter which I have written to the City Council on behalf of many concerned citizens who are unwilling to stand idly by and permit the Capital improvements Committee to raid the \$245,000 contingency

The information about the items included in the spending spree have been scanty, indeed, and it is apparent that the Maddox-Wagner combine, who yelled so loudly about communications, feel that they do not need to communicate with the people.

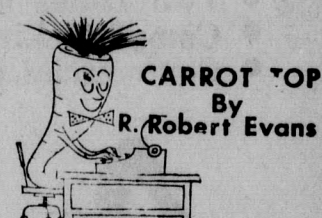

Raids on such funds are by no means new. Raids have been the practice of private business and governmental agencies since the days of the Caesars, under the guise of the old adage "To the victors belong the spoils."

Only an alert and well informed public, armed with the true facts, can stop such irresponsible actions and I am hopeful that many more concerned citizens will read this and join in our fight to stop the spending program.

The fact that these funds were saved up by cautious and conservative councils over many years means nothing to the combine and the expenditures appear to be a hodge-podge dredged up by the Capital Improvements Committee simply to spend as much of the \$245,000 as they can, and as quickly as they can.

I consider myself reasonably well informed and until last Tuesday night I had never heard of the water study scheme that will cost \$42,500. Where is the approval of the Ad Hoc Water Committee? Do Councilmen Maddox and Wagner consider themselves expert in this field also? What happened to the bright promise of the Maddox and Wagner ticket to make more use of the qualified people in Sierra Madre to make re-

CARROT TOP  
By  
R. Robert Evans

"Land of the Free," that controversial 8th-grade student history book, is now on display at the Sierra Madre News... a marked copy, no less, so you can see some of the objections.

The book cannot be taken from the building, but a chair and a desk will be provided you and you can spend time with it and review its contents. You should allocate some of your time this summer and look over the book. It's a dilly, this you are assured, and it's the best thing you can do.

And when you are speaking about "The Best" it reminds us of a little story that goes something like this... It is generally agreed that the "best" thing the government could do would be to win the war, balance the budget, and quit robbing Peter to pay Paul. It is like the fellow (also in bad shape) who had been going to his doctor for quite a spell.

The doctor finally said, "The best thing for you is to give up smoking, liquor and women." The patient replied, "I don't deserve the best. Doc, what's second best?" "A and for me, I want the 'very best' just for my friends. I'll be satisfied with what is left over."

Here's a little conversational piece that we overheard between two Scotsmen:

"Ow did Bill die?"  
"E fell through some scaffolding."  
"Whatever was 'e doin' up there?"  
"Being 'anged."

End of a very enlightening conversation.

We are well on our way through the month of July, the month of clearances. The time of bargains, when merchants are clearing out their stocks getting ready for fall merchandise and the coming of Christmas. Gee, another year almost over, and as I see it, we are not getting any younger, either... but then, that's life for you.

Our wishes for success go this week to Fred and Rose Zapata, the newest Sierra Madreans to enter the field of "business." On July 1 they took over possession of Santa Anita Pools. Their enthusiasm will certainly win for them many friends and satisfied customers.

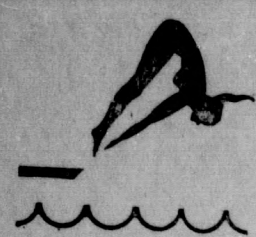

They are very anxious to

## Mrs. E. G. O'Brien Installed As Alum President

Mrs. Edward G. O'Brien of 1853 McFarlane, San Marino, has been installed as president of the Arcadia Alumnae Chapter of Delta Delta Delta. Mrs. O'Brien hosted a gala installation and business meeting on Tuesday, May 24. Co-hostesses for the event were Mrs. Robert Matthews of Arcadia and Mrs. Walter L. Varco of Temple City, who provided a lovely table of champagne punch and finger sandwiches at the close of the evening.

Mrs. O'Brien joined Tri Delta's collegiate chapter at the University of Southern California. She has served as president of the Panhellenic organization in Clark County, Las Vegas, before moving to San Marino, where she has resided for two years with her husband, Ed, and son, Kelly, 6. She has been active in San Marino, holding the office of secretary for the Newcomer's Club.

Those assisting Mrs. Mrs. O'Brien are the following new board members: first vice president, program chairman, Mrs. William R. Snaer of San Marino; second vice president, membership chairman, Mrs. Fenwick English of Arcadia; recording secretary, Mrs. Charles B. Scott of San Marino; treasurer, Mrs. Richard Burd of Altadena; corresponding secretary, Mrs. John W. Jennett of Arcadia; membership recommendation chairman, Mrs. George Daugherty of San Marino; publicity chairman, Mrs. Richard F. Read of Arcadia.

Delegates to Southern California Council of Delta Delta Delta, Mrs. James Clifton of South Pasadena and Mrs. Walter L. Varco of Temple City.

Fraternity education chairman, Mrs. Varvin E. Johnson of La Canada.

Service projects chairman, Mrs. Charles Quist of South Pasadena and Mrs. Roger Garretson of Pasadena.

Children's Hospital committee representative, Mrs. John Thompson of San Marino.

Delegates to the Foothill Area Panhellenic Association, Mrs. W. F. Mayer of Pasadena and Mrs. Jerry D. Haynes of Arcadia.

All members are looking forward to the annual swim party to be held Aug. 6 at the home of Mr. and Mrs. Richard Read of Arcadia.

Attend the  
Church of your choice

## Foothill Chapter To Play Host For Installation

The Foothill Chapter of the Society of California Accountants will be host to the Rio Hondo Chapter for their joint installation of officers and board of directors for the coming year on Friday, July 15, at 6:30 p.m. at the La Canada Country Club in La Canada.

The following officers of the Foothill Chapter will be installed: president, Mark J. Schaefer; president-elect, Russ de Walron; vice president, Harold F. Reitzell; secretary, Mrs. Clara W. Rankin; and treasurer, Shiego Ito. The following will be installed as board of directors: Burtis Bixby, Jim Gentry, Dwight Cashion and Mrs. Eva Pugh.

For the Rio Hondo Chapter, the following will be installed: president, Milton J. Krause; president-elect, Frank M. Gongora; vice president, Robert K. Barnes; secretary, Anthony Faciana; and treasurer, Arthur W. Label. The following will be installed as directors: Robert Johnston, A. Roy Guidi, Larry Wilson and Hugh Cripe.

For this joint installation, Mr. Jim Baker will be the installing officer and Mr. Louis R. Gabrielsen will be the installing marshal. Mr. Larry Williams will be the master of ceremonies.

There will be a luau dinner at poolside at 7:30 p.m., which will follow the cocktail hour commencing at 6:30 p.m. Mrs. Clara M. Rankin, the chairman, has arranged for the "Sandpipers" to sing before the installation and the "Motif" to play for the dancing following the installation.

## Few Tickets Left For S.M. Night

The ticket for Sierra Madre Night at Dodger Stadium, on July 27, are quickly disappearing.

Those planning to attend should purchase tickets soon. The cost is \$3.75 which includes reserve tickets plus transportation and parking.

The bus will be leaving from Sierra Vista Park at 6:30 p.m. The tickets may be purchased at the Sierra Madre City Hall, 55 W. Sierra Madre Blvd., between 8 a.m. and 5 p.m. Monday through Friday. Don't miss this game between the Dodgers and the Phillies.

For further information call 355-7135, Parks and Recreation Department.

2—SIERRA MADRE NEWS Thursday, July 14, 1966

## You and Your Neighbor

by Mary-Madeleine Lanphier

Dorothy Baird, whose husband is Eugene, retiring from her post as third grade teacher at Sierra Madre, next door to Mrs. Ransom, has toted up a score of over 32 years as a teacher before her retirement this month.

It's a gala celebration she and her husband will have: a trip to Japan, no less! And with a very personal guide indeed, for they will be accompanied by Mrs. Ray (Helen) Obazawa of 387 W. Highland, who will be visiting relatives in Japan after an interval of 36 years! The Bairds will take a week to visit friends in Hong Kong before they return home. Mrs. Baird was born in Sierra Madre and has lived here all her life, as was Helen Obazawa; they played together as children and their parents were friends.

Helen's father, Mr. Nomura, used to have a grocery store on the corner where Sierra Madre Hardware now stands, and she and Don Jackson were recently reminiscing about the playmate nicknamed "Cow" because his Japanese name was too difficult for children to pronounce. He lives in Japan now, and Helen plans to see him and will take some old photos to him from Don Jackson. Her brother, Charles, used to play the violin with Mrs. Harlan Mills when she was Elizabeth Morgridge, daughter of the News editor. He still lives here, as does her brother, Sho, who was stationed for a long time with the army of occupation in Japan, so he envies Helen the trip, but helped keep the family here aware of developments there. Also, Helen's uncle, a professor of English at the university in Kyoto, was over here three years ago for a language laboratory research project at UCLA with trips to the various centers in the States where Japanese is taught, and her mother, Kay Nomura, who lives around the corner from her, went back to Japan for a visit the same year. Nevertheless, it's still been 36 years since Helen saw the four cousins she used to play with (the baby, her favorite, is now a brain surgeon); so no matter how well the family has kept in touch, it will be a momentous trip, and Helen's children, Jonny, a senior at PHS, and Susie, pursuing music and fine arts at San Diego State, are quite prop-

erly envious that they cannot join her. We'll look forward to hearing from Mrs. Obazawa and the Bairds when they return from what promises to be a fabulous summer.

— ☆ —  
Reminder: Special bus service to the Hollywood Bowl and to the Greek Theatre for the performances of this summer are now in operation and connecting service from Pasadena is available, so phone Rapid Transit District for details. Parking is available in the vicinity of the bus route to the Theatre and at parking lots near the Hollywood Bowl if you want to drive near either place and then board a bus into the performing area.

## Tennis League Starts July 16

Action in the San Gabriel Valley Junior Tennis League commences on July 16, for novice players of this area.

Both girls and boys in 16, 14, 12 and 10-year old divisions who are residents of Sierra Madre or who participate in a recreation program sponsored by Sierra Madre are urged to sign up at the City Hall. However, there is a limitation experience-wise for team members.

They must not have school tennis team experience nor may they have entered any Open or Sanctioned tournament.

These rules are necessary to keep the play on a novice basis which gives an ideal opportunity to the beginning or intermediate athlete to gain summertime fun and training in these weekly matches.

Play will ordinarily be held on Saturday mornings both at Memorial Park and away.

By way of explanation on the age divisions, a player who was 10 years old on January 1 of this year would be eligible for the youngest event. Anyone who was 11 on that date would automatically go into the next category.

To determine the teams for each week of play, competition will be arranged to find the strongest players to represent the Sierra Madre Recreation Department. Sign up promptly so that rosters may be submitted on time.

## Sierra Madrean To Convention

Mr. M. Larry Karas, president of the Jean Shayne Orloff Chapter of CARIH, of 51 Esperanza St., in Sierra Madre will represent this area as official delegate to the National Auxiliaries Convention of the Children's Asthma Research Institute and Hospital (CARIH), July 30-August 30.

Delegates from CARIH's national network of volunteer auxiliaries convene annually in Denver, the site of this country's largest asthma facility, to be briefed on latest developments in treatment techniques and research.

CARIH's center not only provides free treatment and care for the nation's most severely afflicted asthmatic children during an 18-24 month period but, through integrated clinical and basic research, works constantly toward both better management of the disease and elimination of asthma and the other allergic diseases.

Attending the CARIH convention with Mr. Larry Karas will be his wife Sylvia Karas.

## To Wed In Fall

The engagement of Miss Cynthia Belle Matthews to Thomas Irvin Lingo of South Laguna was announced at a family dinner held at Scandia Restaurant, Los Angeles, on June 23. Miss Matthews is the daughter of Mrs. M. Dyer Tumilty of 185 N. Mountain Trail, a staff member of the Sierra Madre Library, and Mr. James Robert Matthews of South Pasadena. Miss Matthews, who resides with her mother, attended Ascension Parish School, Pasadena High School and the University of Oregon in Eugene, from which she will graduate in August of this year. She is a member of Pi Beta Phi.

Mr. Lingo attended Laguna Beach High School and the University of Oregon, from which he graduated last December. He was a member and president of Phi Delta Theta. He resides with his mother, Mrs. Thomas Irvin Lingo, at 26 N. La Senda, Three Arch Bay, in South Laguna.

The wedding is to be November 26, 1966, at the Church of the Ascension in Sierra Madre.

## You and Your Neighbor

Mrs. John Froehlich, 115 E. Sierra Madre Blvd., whose husband passed away just last December, is now looking forward to the possibility of living near her son Robert Asch and his family in Palo Alto, and has put her house up for sale. Meanwhile she enjoys grandmothers pride in Robert's son Bruce who has been quite a basketball star at Santa Clara University and has recently married.

— ☆ —  
The William Morrrows of 509 Gloria Rd. always have a lively household with four girls, who are Terry, Pat, Chris and Joanne. No wonder Mrs. Morrow has been a room mother at St. Rita's for two years and another to come — could be self-defense as well as service! Bill Morrow will be going East to Louisville, Kentucky sometime during the summer to visit his mother, but as she has not been well, the girls will not be traveling with him. They are having fun here. Chris, after summer school classes at Highland Oaks may possibly take some swim lessons; Pat, who had a fine weekend of beach and Disneyland trip, plans to take tennis lessons; Terry had a week at Arrowhead and Joanne tags after her big sisters and enjoys the pool at home.

— ☆ —  
Pat, serviceman son of Ann and James Tyler, 223 San Gabriel Court, was home on leave in the course of journeying from Alaska to Texas for several weeks special study before returning on north and so got to be on hand for the 25th wedding anniversary of his parents.

— ☆ —  
Best of Show  
Paul Fairbanks, whose paintings were awarded "Best of Show" at the "Sunday at the Bowl" art-music festival, will appear with his winners at the Hollywood Bowl during the evening concerts of July 12, 14, and 16. Mr. Fairbanks, who is a local resident, is planning his annual painting outing for his students on August 6 and 20, at Dana Cove.

## Mrs. Lillian W. Seyfert of Palmdale Receives Master's Degree At 66

A Master's degree in education from San Fernando State College this June was achieved by Mrs. Lillian W. Seyfert of Palmdale at the age of 66. Mrs. Seyfert is the mother of Edie Kinnucan, outstanding woman naturalist of Wilderness Park, married to Ken Kinnucan, naturalist at the McCurdy Center in Eaton Park, who live with sons, Robbie and Mark, at 729 W. Alegria in Sierra Madre. The saga of how this determined mother traveled over many years and many miles to go from farm wife caring for chicken coops to a modern California campus in pursuit of teaching credentials should prove of considerable inspiration to the many local mothers who have returned to college studies despite many hurdles.

Mrs. Seyfert was born in Kansas and began teaching right out of high school, as they often did in the earlier days of education in our country. She and her sister decided to take a trip to Utah and Idaho, but after getting out West, ran out of money, so she landed a job teaching in Idaho. There she met and married a farmer, and for many years lived the life of a typical farmer's wife, raising and killing chickens, preserving raspberries and apples, working in the fields. But her earlier training made her an outstanding leader in The Grange, the organization which served so many farm families at that time, and she never fell out of love with education. It was natural, then, that when her husband died, she returned to teaching, under a provisional certificate, even though she had not yet gone to college, a lack she promptly began to remedy by enrolling in extension courses and going to summer school.

When Idaho outlawed provisional certificates in 1958, Mrs. Seyfert came to California where she taught first grade while she worked for and received her BA and her California teaching credentials, and went on to get her Master's.

While putting in a full teaching day, Mrs. Seyfert often traveled 69 miles each way to go to her evening classes and a 58-mile round trip was the shortest journey of those difficult years. She and her daughter, Edith, did an unusual job of co-operation; mother saw her daughter through undergraduate years, then it was her turn to go for a Bachelor's, after which Edith put in time for her Master's, then it was her mother's turn again. That way, one was always earning. Edie Kinnucan, in speaking with admiration of her mother, adds somewhat about the remarkable women in her family. Their spirited character is attested by the side note that a great-aunt was arrested for wearing bloomers to bicycle.

Recently, Mrs. Seyfert has been teaching second and third grades at Acton; now, in the fall, she will be enjoying the luxury of being in the new school building at Agua Dulce. She should enjoy it in good health!

## Tennis Tourney Looms For City

The Sierra Madre Tennis Club will hold its fall tournament for tennis players over 12 years of age on Sunday, September 11, according to an announcement by William J. Owen, the club's president.

The matches, which will be all doubles, will be held in the Sierra Madre Park, starting at 9 a.m., and there will be prizes for the winning team and the runner-up team.

There will be an entry fee of 50 cents for those from 13 through 17, and an entry fee of \$1 for those 18 years of age and over.

The tennis club will provide the necessary balls, and the club's social committee will provide refreshments. Interested persons may call Mr. Owen at 355-6188, Roland Coate at 355-8131, or Marcus Woodward at 355-1296.

## Peggy Jo-Ann Dickson Betrothed To David Hopper In Evening Ceremony

MR. AND MRS. DAVID McELRAY HOPPER  
... nee Peggy Jo-Ann Dickson

Miss Peggy Jo-Ann Dickson, daughter of Mrs. Patricia Drew Howeke of 383 E. Kingsley Ave., Pomona, and Mr. R. Dickson of San Jose, was married June 12 to David McElray Hopper, son of Mr. and Mrs. Byron C. Hopper of 537 Sierra Madre Blvd., Sierra Madre. Dr. David K. Switzer officiated at the 8 p.m. wedding at the First Methodist Church of Pasadena.

Given in marriage by her father, the bride wore a full length princess style satin gown with a small train and an English veil with a satin bow. She carried a prayer book with carnations and stephanotis.

Mrs. Richard Johnson of Pasadena was matron of honor and Mrs. Walter Wenke, Mrs. Dennis Smith and Miss Adele Iachelli were bridesmaids. They wore powder blue sheaths and carried white carnations.

Best man was Larry Vickery of Phoenix, and ushers were Lucien Hersh, Richard Peck and Gary Glaser.

Following the ceremony, there was a reception for about 100 guests on the church patio.

The bride is a graduate of Pasadena High School and attended Mt. San Antonio College and UCLA. The bridegroom also is a graduate of PHS and graduated from University of California at Berkeley, School of Engineering, this year.

The newlyweds are spending their honeymoon in Carmel.

## Rose Float Association Meet July 14

### Nursery School Has Few Openings

Mrs. Lillian Burke, director of the Sierra Madre Community Nursery School Association, has announced that there are a small number of openings available for fall 1966. Interested parents should call the nursery school this week between the morning hours of 9 and noon. The phone number is EL 5-1755.

Sierra Madreams are encouraged to make applications as soon as possible for the few remaining openings.

General chairman Ben McGee has announced that the next meeting of the Sierra Madre Rose Float Association will be Thursday, July 14 at 91 E. Bonita St. Robert Jenkins, who is in charge of design, is in need of ideas for this year's float, to follow the theme of "Travel Tales in Flowers."

Interested men may contact construction coordinator Howard Glass and volunteers to glue flowers should call Betty Burch, or go to the meeting on July 14.

## "Let's Talk Dry Cleaning"

by Joseph Delgatto Sr.  
We are often asked, "What causes a garment to change in size or shape?" In other words, what makes it shrink or stretch?

Many fabrics, by virtue of their fiber content, weave and the finishing treatment given them, have a certain amount of potential shrinkage. Wool fibers, for example, are extremely sensitive to high temperatures. The weave of a fabric is responsible for the greatest shrinkage factor. Most wools today are pre-shrunk. But even so, your cleaner must take great care to determine and maintain as far as possible a garment's original size and shape.

Crepe weaves have a marked tendency to shrink or stretch. The crepe effect is formed by tightly twisted threads running in one direction. How much a crepe fabric will shrink or stretch depends on whether the fibers have been overstretched during the finishing process. If overstretched the fabric is almost certain to shrink. If too little stretching has taken place to give a heavy crepe effect, the fabric will most likely stretch from ordinary wear and cleaning.

Sizing a garment is one of the many "extras" in our cleaning service. We try to return every article you send us thoroughly cleaned and "sized" to its proper measurements.

## Hatfield & Wolfe At Convention

Jim Wolfe and wife, Janie (past lieutenant governor of Division 35), and Bob Hatfield and family (president) all of Sierra Madre, attended the 51st Annual Convention of Kiwanis International at Memorial Coliseum in Portland, Ore.

A total of 15,000 people—Kiwanians and their families—were on hand for the affair, first in Portland since 1920. They represented some 275,000 Kiwanians in 5,400 clubs in 17 countries of the free world.

## Sandra Brubaker To Music Camp

Sandra Lynne Brubaker, daughter of Mr. and Mrs. Wilson M. Brubaker of Arcadia, is attending the 5-week summer music camp at the Stockton campus of the University of the Pacific on a full scholarship. She is on the faculty as a student assistant. She attended the Pacific Music Camp last summer as a result of a scholarship given her for having been chosen as a violinist in the 150-member Honor Orchestra for the Music Educators National Conference in Long Beach. These students were selected from the seven Western states.

Sandra also was a member of the All California and the All Southern California Honor Orchestras.

Sandy was concertmistress of the Arcadia High School orchestra and a Gold Seal Graduate in June. She plans to attend the University of the Pacific this fall as a music major.

Last weekend Sandra came home to be a bridesmaid in her brother's July 2nd wedding at Pasadena First Methodist Church.

### Kini—Tax Decrease

The Council then accepted the tract as complete as to the fulfillment of all contract by a vote of 4-1, Maddox unsatisfied. A maintenance district will be ordered for hearing by City Attorney and City Administrator under the 1911 Act. Due to space limitations other items will be reported in the next issue.

All reports indicate that it was a very swinging eve Friday after the Fourth when a combination birthday party for Joe Grippo and housewarming of his new residence on Laurel occurred. But then, whoever wants to sleep on summer nights anyways?

viding the finest in furnishings, but one that can, if called upon to do so, completely remodel and redecorate a complete home or apartment house. This couple are extended our heartiest congratulations, and we do wish them many years of successful operation.

### Swimming Meet

vitational meet on July 30. The meet will start at 9 and last until noon.

All youngsters between the ages of 8 and 16, of noice standing, who have not participated in an A.A.U. sanctioned meet or interscholastic meet are invited to participate.

The events scheduled for this meet are the breast stroke, butterfly, free style, back stroke and relay. The cost will be 75 cents per person per event and \$3 for each relay team.

Trophies will be given to the high point team, and the high point girl and high point boy in each division. Plaques will be given first and second place for each event in each age group. Ribbons will be given third, fourth, fifth, and sixth place.

Entry blanks are available at the Sierra Madre Municipal Pool, 621 E. Sierra Madre Blvd. For information call 355-7275.

### Fire Prevention Series To Give Knowledge

unless equipment arrives in time. I have run in front of grass fires around Los Banos that kept up with me as fast as I could get out of the way. Glass bottles in grass, other materials that can magnify the heat of the sun will cause combustion.

Not only then do we want to keep grass out and away from our property lines, but the trash that goes with it. Your best bet is to grub out the grass with a mattox, old fashioned heavy hoe or even a shovel whanged along at ground level will take out the roots. Merely cutting off the top is the poor solution to the problem. Fire can go through stubble, slowly but will move along and in a fire emergency when you have to leave your residence, it will eventually reach walls.

Brush has to come out bodily, piled and bundled and given to the trash man. Be sure you find out the exact area you must have clean around your house to meet our own fire rules and those of your insurance.

You remember our big fire a few years ago? Those that had brush cleared suffered a little. Those with heavy brush and debris had their places burned. With all of this clearance it might pay to look at the spreading trees on property lines adjoining brush areas. If they come close to overhanging your house they had also better be trimmed within reason of course. We are talking about boundary lines here not in the property itself.

Weed deterrents can be put in the soil to prevent

further sprouting. You don't have to fight the weed problem as hard as you might this year. Be sure weeds are out from all fences that can burn, on both sides regardless of the neighbor. No use in losing a wooden fence because someone is too lazy or stubborn to make a break of at least 3 feet on the other side of the fence. By all means have no weeds at the back of a garage or in out of the way places that you think make no difference. Don't you believe it. These places are what cause the damage.

Next week: What to do with a weed or brush fire till the fire department comes.

Support Your Hometown Newspaper and keep your Community Alive.

### Youth Softball

A charge of \$1 has been made for insurance. The girls team will play on Tuesdays at 5 o'clock and the boys on Wednesday at 5 o'clock and Saturday at one o'clock. The season will extend from July 13 through August 20. The games will be played at Heasley Field, Sierra Vista Park, 621 E. Sierra Madre Blvd.

Don Bohler and Bob Colup have volunteered to organize and supervise this league in conjunction with the Department of Parks and Recreation.

For additional information call 355-7135.

We cut Shades — Sierra Madre Hardware, 25 W. S.M. Blvd., 356-1421

### Geo. Parr

of orders now on the list indicates that the months ahead will be busy ones. Your special orders will be given prompt attention and his top designing ability. This is truly the "House where it costs no more to own truly original and distinctive jewelry." Come early and look over this sale list.

### Valuations Up

get presented by Maddox-Wagner this would be an increase of \$2,297.90. It is estimated that Public Utilities will be up a little, based on their participation within our city limits over the past year.

The increase was a little under 5 per cent and the County's increase was 10.42 per cent.

## If you have bills... You need a Banking Secretary

## Free WITH NEW CHECKING ACCOUNTS

To introduce you to First Western Bank we are offering this attractive Banking Secretary, designed to be the convenient place in your home to keep and to organize bills, cancelled checks and other family banking records. It also contains an expandable file to hold all year-end records needed at tax time.

Accompanying the Banking Secretary is a Simplified Spending Guide which provides a flexible method to arrive at your best money plan, rather than by a hard-and-fast budget. Used in combination with the Banking Secretary, the Guide helps you itemize expenses

to maintain a simple, visual monthly record of family expenses. Come in and open your First Western Bank Personal Checking Account for a minimum of \$100.00 and get, free, these two useful items. Present checking customers qualify for these gifts by opening or adding to a First Western Bank Savings Account—minimum amount \$100.00.

Like the Banking Secretary and Simplified Spending Guide, you'll find a First Western Bank Checking Account is tailored just right to help organize your family finances.

## Two Local Men Have Completed Summer Program

Twenty-two men have completed the 13th annual summer executive program at the University of Southern California's Graduate School of Business Administration.

They attended classes from June 5 to July 1, and lived on the USC campus in Marks Hall dormitory.

In the group were: Thomas K. Boley, 1200 Louise Ave., Arcadia, supervisor of internal auditing, Southern California Edison Co., Long Beach, and James E. Conner, 2501 Albert Way, chief electrical engineer, Edison Co., Los Angeles.

Stanley M. Hogshead, 1985 Vista Ave., Sierra Madre, vice president, United California Bank, Los Angeles, class treasurer.

## COMMUNITY HOSPITAL

... Sierra Madre

Debra Dammeyer, daughter of Mr. and Mrs. Theodore Dammeyer of 161 Webster Way, Sierra Madre, and Keith Seegmiller, son of Mr. and Mrs. Keith Seegmiller who reside at 181 E. Grand View Ave., Sierra Madre, underwent tonsillectomies at Sierra Madre Community Hospital during the past week.

Presently a patient in Sierra Madre Community Hospital is John Donoghue who lives at 262 W. Grand View Ave., Sierra Madre.

Nicholas Joseph Welsh last week joined his six brothers and sisters in the home of his parents Louis and Mary Welsh who live at 271 Arbolada Drive, Arcadia. His birth day was Monday, July 4 when he was delivered at Sierra Madre Community Hospital, weighing 8 pounds, 4 ounces. Receiving their new brother with varying degrees of exuberance were Daniel Louis, Karey Jo, Richard Stephen, Rebecca Louise, Jennifer Ann and Louis Trafton.

Eleanor Parks who resides at 51 Rancho Road, Sierra Madre, spent from Thursday to Saturday of last week as a patient in Sierra Madre Community Hospital.

Hee and Julie Rhough of 4124 Eunice Ave., El Monte, are getting to know their daughter, their first born, who was delivered on Wednesday, July 6, at Sierra Madre Community Hospital. Her birth weight was recorded as 6 pounds, 8 1/2 ounces. This happy couple have chosen the name Linda Misook for their child.

Mr. and Mrs. David Howard of 50 N. Auburn St., Sierra Madre evidence the sincere delight of parents with their first born. David Steven Jr. was born on Saturday, July 2 at Sierra Madre Community Hospital, weighing 7 pounds, 4 ounces. Mr. and Mrs. Howard were also the recipient of a 5x7 gift portrait of their son as the result of a recent contest-drawing made by the ladies of the Sierra Madre Community Hospital.

Introducing their son, John Gerald are Mr. and Mrs. John Wiese who reside at 218 N. Myrtle St., Monrovia. He was delivered at Sierra Madre Community Hospital on Saturday, July 2, weighing 6 pounds, 6 ounces. This is Mr. and Mrs. Wiese's first child.

A resident of Sierra Madre, living at 625 Sierra Meadow Drive is Kenneth Lovgren who was a patient in Sierra Madre Community Hospital during the past week.

First and second graders who are in attendance at the Vacation Church School sponsored by the Methodist Church of Sierra Madre should have an extra glow of real happiness. The Fourth of July favors they gave the Sierra Madre Community Hospital to add color and cheer to the patients' trays that day brought smiles and ohs and ahs. It's still so true that "it's the little things that count." The thoughtful ladies in charge of this project were their teachers: Mrs. Harlan Pederson, Mrs. Jean Bottemer, Mrs. Alberta Rogers and Mrs. Marilyn Bailey.

## Karen Veblen Entertains Guests At Slumber Party

Karen Veblen, daughter of Mr. and Mrs. John Veblen of 235 S. Canon Ave., entertained a number of her friends at a slumber party weekend. Her guests at the slumber (sic) party were Sari Seegmiller, Tena Moyer, Jackie Pogue, Lizzy Jenkins, Nancy Mooradianall of Sierra Madre, and Ann Dillhoefer of San Marino. Their entertainment included swimming, tether ball, charades, playing records and the player piano, dancing, eating and staying awake. They report that one party-pooper fell asleep at 3:30 a.m.

Blue Lustre Shampoo Rental — Sierra Madre Hardware, 25 W. S.M. Blvd., 356-1421

## SPORTS AS Hank Ives SEES IT

### LOCAL LITTLE LEAGUES LOSE

Earl La Lone's Yankees dropped their two games in the Pasadena City Championships. The Yanks representing the Hartman Pharmacy and Gem Plumbing lost a heartbreaking 1-0 decision to Pasadena Central, and were edged 8-6 by East Altadena.

THE SIERRA MADRE ALL-STAR TEAM has been selected and goes like this: From the Indians come Frank Ecker, Doug Otts and Mike Stuart; Dave Tucker and Paul Taquino from the Braves; representing the Yankees are Kam Kuwata, Paul Hardy, Pat Ryan, Vincent Vine and Mark Burke. Gordon Mitchell, Jeff Larson and Bill Hartley, members of the Red Sox made the team; Tom Nickoloff, Tim Overholt and James Wilson from the Cubs and Larry Sullivan and David Denison of the Dodgers round out the team.

THE TWINS continue to pace the Pony League and have the title all wrapped up with a fine 12-1 record. The Pirates, 7-6 and Reds, 6-6, are battling for the second spot while the Tigers are still winless at 0-12.

Last week's scores: Twins 9, Pirates 11; Reds 11, Tigers 2; Twins 5, Pirates 4.

## Mr. and Mrs. A. L. Foster Pass Away Within Four Days

Albert L. Foster, 79, passed away Saturday, July 9, after a lengthy illness, following by just four days, the passing of his wife, Elizabeth C. 77, both of 21 E. Orange Grove. Mrs. Foster also suffered from a lengthy illness.

Mr. Foster was a retired carpenter, originally from Colorado and a California resident for 46 years. Mrs. Foster was originally from New Mexico, a resident of California for 46 years, 44 of which were spent in Glendale and the past two in Sierra Madre.

Graveside services for Mr. Foster were held Tuesday, July 12 and at the Church of the Hills on Thursday, July 7 for Mrs. Foster both officiated by Rev. Alden McKelvey.

They are survived by two sons, Vern A. Foster of Sierra Madre and Marvin E. Foster of Canoga Park; five grandchildren and five great grandchildren.

Interment was at Forest Lawn Hollywood Hills under the direction of Ripple Mortuary of Sierra Madre.

New to our community are the William Hicklers of 1915 Oakwood Ave. They've only been here about a month, after six months in Arcadia, and came from Illinois. Mr. and Mrs. Norman Rada, family of Mr. Hickler, were recent visitors to the new homestead from Park Ridge, Ill. The Hicklers have two children, Diane, and William Jr., who will go to school at Highland Oaks. Welcome.

## Zonta Club Installs New Officers

Zonta Club of Santa Anita Area slate of officers for the ensuing year is as follows: president, Elizabeth C. Faiman; first vice president, Nettie Yeager; second vice president, Esthreen Budd; secretary, Virginia Poister; treasurer, Florence Meillon; directors, Wilma Janzen and Jean Hendrickson.

Members of Zonta will provide entertainment for the girls and staff at Marysville, Los Angeles Orphanage for Girls in South San Gabriel. A program has been planned, including the Calodonian Pipe Band of Duarte and a group of Scottish dancers. Refreshments will be served at the close of the evening. Marysville will continue to be the service project for the coming year. Members provide many items of clothing, donate funds and provide many hours of sewing.

Committees will be organized for the new year at the July luncheon meeting.

Zonta Club of Santa Anita Area will meet August 8 at a hotel in Arcadia. Fifteen new members will be initiated at that time. Guests from other Zonta Clubs will be invited. The initiation ceremony will be conducted by the District Governor, Mrs. Waltraut Wilson of Porterville. She will be assisted by Area Chairman, Thelma Spring of Burbank. Zonta Club of Santa Anita Area consists of members from Arcadia, Duarte, Monrovia and Sierra Madre.

Look for your neighbor in church this Sunday.

## Correction

Inadvertently the name of Carl Paul Foote, was omitted from the list of prize winners for the July 4th parade. Young Mr. Foote, who lives at 391 E. Grand View, was awarded a prize for his cleverly decorated bicycle. Carl, we are very sorry that we slipped up on giving you proper recognition.

We service what we sell — Sierra Madre Hardware, 25 W. S.M. Blvd., 356-1421.

## Letters to the Editor

Dear Editor:  
We have a beautiful public library and a civic swimming pool with spacious family picnic grounds.

Our police department has the use of a room 14 ft. by 18½ ft., with doorway into another room 10 ft. by 18½ ft.

The main office includes the counter space for citizens' requests, two large desks and six filing cabinets, which are inadequate, secretary's typing desk, the communications equipment, telephones in, and out, and broadcasts to officers in the patrol cars. This is also the booking room, even if citizens are at the counter. For instance, one day a mental patient was restrained there. She screamed "daughter" when a lady came to the counter, frightening the citizen. Drunks using obscene language are only feet away from any citizen coming in.

The smaller room is the Chief's private office and includes the teletype room. The storage closet and three personal lockers. Balance of the lockers are in the basement. Drunks using obscene language are only feet away from any citizen coming in.

Editor's Note: . . . My, my, my, look who's screaming now. "Look to the Hills" you said as you campaigned for the elected councilman and councilwoman. Down with the Civic Center. Now the Capital Improvements

Committee is suggesting we spend the Contingency Fund, and a Fire Station at \$120,000 gets priority . . . Fire? Water? Park? Police? We are the 7th highest taxed city in the Southland . . . Just can't have 'em all can we Jessie . . . Just give us a year or two to study it, huh?

Dear Editor:  
With "Land of the Free" — the 8th grade undocmented history mandatorily placed in all public schools in California, it will be easier to have more assignments like the one which Dr. Witty cited in his column, "Freedom At Any Price," on June 23.

One has but to look at the study helps and assignments at the end of each chapter to see that these certainly accent the most glaring faults in the book.

What specific revisions in the book are being made? Are the study helps also being revised? Will the teacher's manual be revised?

Those interested in taking courses in the training school for either junior or adult divisions at the Carousel Theatre should apply to Sherman Wayne at 966-4531. There will be a Summer Series of Junior Theatre at both the Carousel Theatre in West Covina and Melodyland Theatre in Anaheim.

The very extra serene smile worn by Mrs. Leila Roberts could be the result of her fine vacation during which she spent time with her daughter's family at Santa Barbara.

A July Fourth weekend never to be forgotten was that enjoyed by C. Spence Purnell and his wife, Dorothy, who live at 1953 Alta Oaks Dr., because July 1 was the first day of Mr. Purnell's retirement — after 44 years with Westinghouse! The Purnells have been out here some 11 years, coming from Shorthills, N.J. They were mighty pleased when they were joined by their son and his family, Dr. Robert H. Purnell, who practices in Arcadia, and has a boy, Spence, named for his grandfather, and a little girl, Myla. Mr. Purnell is all set to finally have the luxury of time for his many hobbies, which include wood-working, fishing, hunting and a mean game of golf. However, he'll scarcely get a proper start at the life of leisure before he and Mrs. Purnell will be off to Europe in the fall, with plans to visit France, Sicily, Italy, Austria and Germany. Ah, well, 44 years with one company sounds like such a trip was well earned.

The Robert Bladens, 40 N. Auburn, like many parents this summer will be minding the hearth while summer school keeps, since 10-year-old Nigel is taking classes at Eugene Field, and

## You and Your Neighbor

by Mary-Madellent Lamphier

Mr. and Mrs. John Blumer of 3770 Newhaven Rd. had a glorious family reunion type Fourth. With son, Frank, and visitor, Jim Cothran, they went off to Balboa where they were joined by married daughter, Lila (Mrs. Hilton Gray), from Altadena and her children, Roger and Penny, with the chance to visit on the beach with married son, Bob, who lives with his wife, Bonnie, at Costa Mesa. The family's pretty proud of Bob for being awarded a special summer fellowship by Douglas Spacecraft for executive training — he's continuing with studies for his Master's at Long Beach State. Jim Cothran will be remembered by many, since (till his family, the Walter Cothrans, moved to Chicago a year ago) he attended Wilson and PHS where he is now taking some summer classes. Frank Blumer has the whole family anticipating with him the very special trip coming up at end of summer for him—he'll go for three weeks with a group of high school boys to Mexico, tour down one side and up the other, stay with a Mexican family, visit his pen pal, Mr. Matheson, Whittier, language teacher, will supervise the trip.

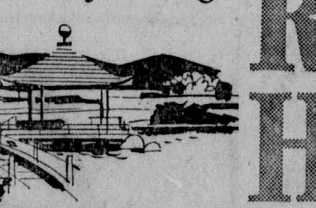

Ever wanted to bounce on a trampoline? It's possible, and available, even for adults. A special physical fitness and sports skills program is underway at the gym at John Muir High School. Activities are geared all the way from 4th grade to over 40, will be in operation Monday through Thursday afternoons from 1:30 to 4:30 and evenings from 7 to 10, with Saturday from 10 a.m. to 4 p.m. A well-qualified staff will supervise the program. It includes, for sports, golf, bowling, tennis, badminton, swimming, and for conditioning for individual classes in calisthenics, weight lifting, basic conditioning exercises, gymnastics, with tumbling and trampoline, plus a testing program worked out by the American Association for Healthy Physical Education and Recreation.

—KATHERINE N. GRIFFITH

The Rae Andersons of 288 Churchill Rd. are having what sounds like an ideal summer — one of getting acquainted with the resources of our own area and visiting the places so often postponed until an out-of-town visitors shows up. So far, they've gone to the Busch Gardens, the Arboretum, the McCurdy Study Center. Their children are Ken, Eric, Kurt and Heidi. Kurt and Heidi are taking swim lessons at Sierra Vista; Ken belongs to the S.M. Mountaineers and has gone on several hikes. But as Mrs. Anderson says, "You run into the same mothers everywhere," so I guess other families are appreciative of homeland.

There is only one so comforting

**ROSE HILLS MORTUARY**  
Located within ROSE HILLS MEMORIAL PARK 3900 Workman Mill Road Whittier, California OXford 9-0921

ONE PLACE—so beautiful, so serene—for every service at time of need. Trust Rose Hills counselors to give advice, help and comfort. Mortuary, cemetery, chapels, flower shops and all other facilities are at one convenient location. Rose Hills offers so much more—yet costs no more.

Alexandra, 7, and Sarah, 2, envy him being that grown-up. Nigel is also on the Sierra Vista swim team, and all three children will be taking swim lessons. The Bladens look forward to a weekend later in the month at Las Vegas, accompanied by two couples from Mr. Bladen's office, and then later on they hope to drive with the family up to Monterey. Last time they tried it when Mrs. Bladen's mother was here on a visit from England, they got as far as the Hearst Castle sign about winding road for 90 miles didn't mean much—until they actually began to wind in deepening darkness. It was a trip not to be forgotten! Mrs. Bladen has hopes that her mother, Mrs. Daisy Green, will manage another visit at Christmas this year.

—

Sunday was also gala in a different, fiesta mood, up at the Passionist Monastery where the turn-out for their annual fiesta and barbecue was enormous. The hillside levels around the Spanish mission-type buildings was flowered with the multi-bright colors worn by the throngs of children darting about the many carnival attractions, but there were just as many grown-ups present as children. The billowing smoke from the barbecue (channeled by a couple of smokestacks and guarded by a couple of fire engines and the presence of Bert Embree) carried on occasional overwhelming whiff of the barbecuing bee and in front of one of the outdoor Stations of the cross a young rock and roll Combo sent out happy sounds. Within, the intent of the retreat house was evident in the quiet, the gleaming polished woods, the monastic type chapel and refectory with the long benches against walls, fronted by tables or extended pre-dieus. The timeless quality of Gregorian chant hung in the air despite the silence. In this chapel there is one small stained-glass window, extraordinarily beautiful, designed by local artist Paul Phillips, which depicts the head of Mater dolorosa with a sadness of grandeur and nobility. Since the guided tours are free a visit should not be missed by any visitor or resident, but the contrast between fiesta and monastic discipline is a once a year experience. (This time the scene was like something from an Italian movie, and the Sunday afternoon combining both the British Home and the Passionist monastery was one of those days when you say to yourself, "This I shall always remember.") And it was a day history-laden, when you remember that the Spanish monks colonized California, and that Sierra Madre sprang from the search of Britishers for health in our mountain air.

**UP!**

Is where the cost of most everything has gone, but NOT prescription drugs.

Prescription drug prices are down 9% from the 1957-1959 base period. With many other prices climbing, the drug industry is proud that it has been able to keep the price of today's lifesaving drugs down.

The trend of prescription drug prices is definitely down, and they are down in the face of a continued rise in total medical costs. The Council of Economic Advisers recognized this when they reported: "In the most recent five years, medical costs have risen less rapidly than in the 1950's. This has been due primarily to the fact that prices of prescription drugs have been declining." We at Hartmans always reduce the price of your prescription whenever the cost declines, but we never sacrifice quality and accuracy at any time. And here is a note we will pass on to you . . .

**American Medical Association** warns that medicines cause most accidental poisonings in children, and aspirin is the leading culprit. Cosmetics, deodorants, shaving lotions and unlabeled medicines can poison adults who take them in the dark without reading labels. Never leave cosmetics and pills on tabletops or in low drawers where children can reach them, and even mothballs can be a real hazard if children can reach them. Store all garden chemicals completely out of reach of children. Adults, when spraying garden chemicals should keep them away from the nose, eyes, mouth and skin. The final important precaution — label everything and keep medicine in a locked cabinet.

## We Endorse It!

A group of interested Sierra Madre citizens met Monday evening, June 27, at the home of one of the group to hear a talk by V. C. DeLapp, fire rating analyst of the Los Angeles County Fire Department. Capt. DeLapp and Battalion Chief Ken Hamlin were there at the request of several members of the group to explain the functions of the Watershed Dept. of the County Fire Department and Sierra Madre's stake in the program.

Capt. DeLapp outlined the history of the Watershed Dept. since its inception in 1918. It was explained that this particular department was supported from the County General Fund and not by assessment in the tax levy as the protection and preservation of the Watershed was important to all the county. As the population expanded, it became apparent that local fire departments could not cope with conflagrations once they began in the Foothill areas. In 1959-60 a new program was instituted and the L.A. County Watershed Commission was instituted.

Chief Embree of Sierra Madre was a delegate to that Commission. The chief function of the Commission was to formulate a plan whereby the efforts of the Watershed Dept. could be correlated with the U.S. Forest Service and local City Fire Departments. A plan was approved and sent to Board of Supervisors in 1961 shortly after the Bel Air disaster. The Board of Supervisors approved the plan and it was then presented to 16 cities and the U.S. Forestry Service.

The plan entailed the installation of a series of special stations along the Foothill areas manned by four man crews on a 24 hour basis and 365 days a year to stand alert to respond to fires occurring in the Foothill areas where they could endanger the Watershed and begin a major conflagration. Their aim was to have crews within 5 minutes travel from any possible fire start. The station on New York in Eaton Canyon was designated as one of them, another was opened in Duarte, another just opened in Glendora. One was projected for East Grand View in Sierra Madre.

The plan was presented to the Sierra Madre City Council June 8, 1962 and the plan was fully discussed. It was explained that the function of the proposed facility was strictly for watershed and brush protection and that the local department stood responsible for structural fires as they presently do. In operation, Capt. DeLapp explained that they would want to be alerted on the first call of any fire above Grand View anywhere in town. They would immediately proceed to the scene of the fire. If they were there first, they would work on the fire whether it was structural or not. On the arrival of the local department, they would relinquish the structure to them and concentrate on the brush area near the fire to prevent spread.

Again in December 6, 1962, the department met in Monrovia with representatives of Sierra Madre, Monrovia, Arcadia, LaVerne. It was a joint meeting of the city managers and city administrators of the various cities. On December 14, 1962, the group met again in Claremont and discussed the Watershed Plan. On January 19, 1963, Capt. DeLapp and another man from his department met unofficially with the City Council of Sierra Madre when they received assurances the matter would be considered again by the City Council at their January 22, 1963 meeting. A letter was received from Mayor Webster Vannier saying the city supported the plan in general but wanted to discuss in more details some facets of the plan.

Shortly after receiving Mayor Vannier's letter, the Right of Way Agent of the Watershed Dept., contacted Larry Bevington who told them they would have to contact the Planning Commission regarding an approval of the site they had chosen at the corner of Stonehouse Road and East Grand View. They did appear before the Planning Commission on March 19, 1964. The Planning Commission looked favorably on the site and the design assurances of the Department and on April 8, 1964, they received approval of their site plan (Reference No. 6113).

On March 23, 1964, Larry Bevington, city administrator of Sierra Madre, sent a letter to Supervisor Bonelli, who then represented this area posing a number of questions regarding the proposed Watershed Station. He questioned the wisdom of locating the station where it had been planned and suggested that it either be located in the Forestry Station on Santa Anita in Arcadia or in the Settling Basin farther West along Grand View. These thoughts were then communicated to the Chief of the Watershed Dept. who replied to Supervisor Bonelli on April 29, 1966, that they had met with the property owners in the area and that they had the approval of the Planning Commission to the site they had designated. More, the Chief assured Mr. Bonelli that they would not invest any of the taxpayers money in the trying to build in the settling basin and that it was highly impractical to try and operate two fire departments from one site, as in the case of the Forestry location, that the Forestry operates a part-year department there.

Capt. DeLapp said that they carried money in the budget for three years to purchase the site but that they hesitated to become embroiled in any dissension with any of the cities in which they built their facilities. In the austerity budget of 1966, the money has been redesignated for other purposes but, that it is possible, if the people of Sierra Madre are in accord, the money could be requested in the 1967 budget to commence this facility.

Both Capt. DeLapp and Chief Hamlin assured those present that the Sierra Madre Foothill area represented one of the most dangerous in the whole County and that odds are against containment and control when there is more than five minutes from beginning to the time they are on the scene. He said 97 per cent of fires are stopped. It is that 3 per cent that represent real trouble. The proposed station would give great assurance to this area. Inasmuch as the people of Sierra Madre are already paying for this service in their general County taxes along with everyone else in L.A. County, he said it was obvious that they should have the facility where it is so much needed.

Capt. DeLapp estimated that the station itself would cost about \$90,000 to \$100,000 to build, another \$45,000 to \$50,000 to equip and about \$175,000 a year to man (with all costs considered). He said all of these funds are made available from the L.A. County General Fund and such

## FREEDOM AT ANY PRICE

by  
DR. HENRY V. WITTY

Management of this newspaper is not capable of answering questions to this column; however letters to the editor will be published and answers to the writer. Articles are of the writer's opinion and do not necessarily reflect the policy of this newspaper.

Keep your eyes on the Democratic political ball game which will be played between now and election time, '68. Watch "Southpaw" Bobby Kennedy attempt to steal the Democratic presidential nomination from switch hitter Lyndon Johnson. Bobby's strategy appears to be: "I shall overcome in the fifth rather than wait until the ninth!"

Recent events indicate that Bobby has shifted into high gear with the idea in mind that President Johnson might just be foolish enough to continue to play his current losing game in Viet Nam. This game consists of not fighting hard enough to win, thus alienating the "hawks," and, at the same time, refusing to surrender and get out of Southeast Asia, thus alienating the "doves."

President Johnson's popularity reportedly is slipping, and Bobby is old enough to read the polls. With this in mind, Bobby apparently has pulled out all stops: TV appearances, Senate statements, front-page publicity, backing of "out" organizations, a trip to South Africa (to pick up the Harlem-Watts votes), self-injection into the grape-pickers strike (to pick up ultra-Left votes), a no-win stand on Viet Nam (to pick up beatnik, pacific, and New Leftnik votes), a tour of Latin America (with its subsequent publicity), a trip down Salmon's Middle Fork with Astronaut John Glen and party. All of this effort and expense surely does not represent just the playful antics of a young man who is merely contemplating the presidency six years hence! Washington could be in for a big surprise as Bobby goes "Gung Ho" for an upset in '68.

President Johnson appears to be the one great obstacle in Bobby's ambitious plan and is undoubtedly marked for Kennedy political liquidation. The Kennedy dynasty with all its wealth and publicity has done its best to imply that "poor old Lyndon" has never been anything more than a stop-gap between Kennedys.

How can Bobby's strike for the presidency in '68 go down in history as just one more of several unsuccessful, far-left attempts to capture a presidential nomination? Kennedy's defeat can be accomplished, but President Johnson is going to have to make some deep changes in policy to bolster his public image.

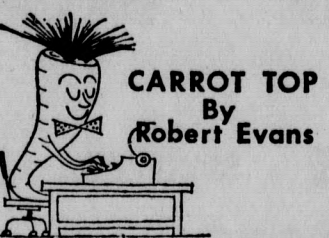

"First of all," says political expert Harold Lord Varney, "he must win the Viet Nam war, smashing and quickly. To stop the slow agony of American death rolls (the real cause of his sinking popularity), he must be prepared to end the war quickly by any military means in his power."

"He must make other changes in his image. He must stop putting the 'We shall overcome' into his speeches (Martin Luther King's vote already is in Bobby's pocket). He must stop inviting Norman Thomas for White House policy visits (Norman hasn't had a new idea since 1920). He must halt his Great Society folly of subsidizing the deadbeats at the expense of the hard-working and thrifty (Bobby will promise more to the deadbeats). He must

stop wooing the ADA (the ADA doesn't like him). He must cut himself loose from the locust swarm of internationalist pressure groups, and stand up for his own country.

"Above all, he must face the fact that the consensus is a myth. There is no consensus. Americans still are divided into two great natural groupings—the softies and the realists. President Johnson still has time to join the realists.

"Will the President recognize the great choice which is before him? Bobby Kennedy is hoping that he won't. If President Johnson muffs this historic opportunity, he may soon hear the galloping hoofbeats of a revived Republican Party."

CARROT TOP  
By  
Robert Evans

take care of your pool and help Sierra Madreans realize the very best for the coming years. Give them a call for an estimate—446-8159. We know that you will be pleased, both with the price and the service.

—CT—  
Society news will be a little on the down grade throughout the summer months, with most of the clubs taking a well earned summer vacation, but don't worry, we have some well planned news stories that will keep you up with your neighbors throughout the period, and they will be informative, this you can be sure.

—CT—  
This is to remind you that "Dodger Night" for Sierra Madreans will be held on July 27. Errors prior to this set the night for the 22nd, but this is not true, so let's "play ball" on Monday, July 27.

—CT—  
We received a beautiful "vacation map" from the All-Year Club of Southern California, and every family should have one of these lying around the house. It can be yours for writing to the All-Year Club at 705 W. 7th Street, Los Angeles, Calif. 90017.

—CT—  
It gives you all the highlights of where to go, what to see and the highlights of Los Angeles and vicinity. Visiting friends and relatives would certainly appreciate looking it over. Get 'em now have it available throughout the summer months.

—CT—  
In closing for this week I will have to get a little nasty, in that just a short time ago, there still were some eight million of the 18 million eligible for Medicare who had not signed up for it. I don't know what the outcome will be, but I do know the pressure sure is on to get 'em all. We don't want any "independent" people left in this country... and it looks to be the same with "poverty." They'll find 'em or make 'em, and I'll be glad when this type of enterprise comes to an end, I hope, I hope.

funds are now being spent in other areas for this type of protection. This would not mean any levy especially against Sierra Madre property.

Capt. DeLapp and Chief Hamlin answered questions for some 30 minutes. They said that, if the City Council would request action, they would pursue the issue of getting the station re-budgeted for next year and we could possibly look forward to having the station perhaps in 1968.

It was specified that the proposed station looks very much like a residence, that it is low profiled and purposely designed to harmonize with the better residential sections in which it is placed.

## OUT OF THE COBWEBS

Five Years Ago:

July 6, 1961  
Mrs. Russell C. Graham and her co-pilot, Mrs. Virginia Hall of Sherman Oaks are among the nearly 200 women competing in the All-Woman Transcontinental Air Race (Powder Puff Derby).

The annual Civic Club Summer Party is held at the home of Mr. and Mrs. Claude H. Brown Jr. Mrs. John Wilson is the chairman of the committee that has planned this fun fund-raising activity.

Welcomed to the community are new residents Mr. and Mrs. Eldon R. Reese, the Lyle P. Smith family, Mr. and Mrs. Kenneth Wagner, Mr. and Mrs. John D. Oik and family, and Mr. and Mrs. Robert B. Matter.

Members of the Sierra Madre Methodist Church welcome their new pastor, Rev. Clinton W. Swengel, and his family at a party on the Parish House terrace.

Twenty Years Ago:  
July 11, 1946  
Jack Shearer is elected Commander of the American Legion Post for the ensuing year to succeed Harold Roberts. Mr. Roberts is

commended for the splendid job he did and the Post is looking forward to another successful year with Mr. Shearer as its new Commander.

Relatives and friends mourn the passing of J. H. Milton.

Family and friends welcome home Walter H. Biely from the Navy and Ken E. Heasley from the Marines.

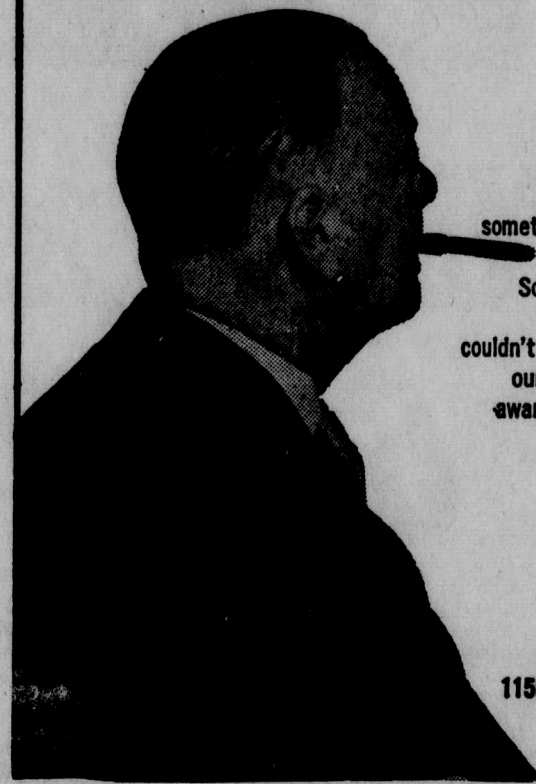

Mr. and Mrs. Rudolph Hartman leave for a two-week vacation in the north. It is the first real vacation the Hartmans have had in many years.

Local firemen meet at the "farm" of Mr. and Mrs. B. C. MacDonald for their annual Fourth of July picnic. Men and trucks are in readiness in the event of a fire call, but the picnic went on uninterrupted.

Thirty Years Ago:  
July 10, 1936  
Miss Francis Olds celebrates her 21st birthday with a party at her Laguna Beach cottage. Guests include: Misses Barbara Hollingsworth, Eleanor Phillips, Cynthia Hull and Ruth Wheeling and Henry Nuet.

**'PEPTONE'**

By ALICE MANG

Ever wish there was one band you could decide upon as being the best? How about a magic band? Yes, that's it, Captain Beefheart and his Magic Band. They are the best around, you know!

These bloques were first discovered at the teenage fair by a lady who liked them so much that she offered them a contract. Then they released their record, "Diddy Wah Diddy."

Don writes most of their songs and has turned out a new one called "Here I Am, Here I Always Am." It may be their next release.

One of the group's favorite entertainers is Buffalo Springfield. He has his own following around Hollywood.

The leader, Alex St. Clair, is 23 and plays guitar. He wants to become famous and then retire with lots of money, but first he wants to give people a scare by not always staying on the top. Donna Loren is Alex's ideal girl.

Don Van Vliet, alias Captain Beefheart, is supposed to be the most serious member, as he does not believe in laughing (he'll we'll see). He plays harmonica and is the lead singer.

Bass guitarist, Jerry Handley, is the people (especially girl) liker of the group. He said that they have a new sound not like that of any other; a kind of Chicago country blues. He also said to say "Hi" to all his fans.

Plaid pants, plain pastel shirts with coordinating ties, leather jackets, plain cufflinks (not necessarily together) are P. G. Blakely's cup of tea. He is the dedicated drummer.

Lastly, Doug Moon is a 23-year-old guitarist. He is the quietest member of the Magic Band and the only blond. All of the rest have brown or black hair.

If you ever go up to a lad with long hair and ask for his autograph and he signs it, "Please buy my record," you'll know it has to be Captain Beefheart or one of his Magic Band, so take the advice and by one or all of them for that matter.

**Services Held For H. M. Hall**

Harold Morris Hall, 84, of 460 Plymouth Rd., San Marino, passed away Tuesday, July 5, at Grove Convalescent Hospital in Pasadena. Services were conducted Saturday, July 9, by Minister John Richards at Ripple Mortuary.

A retired engineer, Mr. Hall was originally from Ohio and a California resident for 56 years. He is survived by a daughter, Mrs. Clarence E. Mello of Pasadena; a brother, Joseph E. Hall of Vancouver, Wash.; and five grandchildren. His wife, Marguerite Daniels Hall preceded him in death in December of 1965.

Interment was at Live Oak Cemetery, Monrovia, under the direction of Ripple Mortuary.

**As Ives Sees It**

die Machen to outlast young Jerry Quarry in Thursday's heavyweight tussle at the Olympic. It would be a real boon to the sport if Quarry could take a step up the ladder toward the title by whipping the much traveled Machen. Clean-cut American youth etc. and certainly an improvement over Gascon Clay. However, Machen has a way of administering defeats to young hopefuls.

MAKE NATIVE DIVER the choice of the ancient one in Saturday's Hollywood Gold Cup. The race is a marathon mile and one-quarter for three-year-olds and up. Of course there is a fair horse around by the name of Travel Orb who might have different ideas.

THE NAMES of Willie Davenport, 120-high hurdle ace, San Jose's Lee Evans, a top 440 threat and Tom Farrell, New York's 880 champ, have been added to the list of participants for the FBI.

DO YOU KNOW who was the first major league baseball player to hit four home runs in one game?

TRY Bobby Lowe of Boston for size. He did it way back in 1894. Since then he has been joined by Ed Delahanty, Chuck Klein, Gil Hodges, Joe Adcock and Willie Mays in the N.L. and Lou Gehrig, Pat Seery and Rocky Colavito in the A.L. Adcock was a member of the Braves at that time. HARRY "THE HAT" WALKER has something going for him with his Pirates. I mean, how many teams could afford to put a fellow like Willie Stargell in the eighth slot in the batting order. That guy hits a ton.

## Villa Views

By  
Toni Maurin  
SYcamore 7-9634

When I look at the lawn I find it hard to believe that we had a wet winter. After 11 years on one seedling of dichondra I think I'm losing the battle... The weeds are slowly but surely forcing me either get out and eradicate them or accept them. Funny thing too, the older I get the more desirable those weeds are looking to me. Time was when I could get out in the yard for hours on end and wake up the next day bright and cheery ready to get back out in and work again.

Not so now — you know there are more than 500 muscles in a normal human body, and after an hour or two of energetic gardening I could almost count every one of them.

Come to think about it I'm not so sure I'm losing the battle of the weeds, I may be just losing the battle of time. Think I'll plant cement then I can just hose it off (Still have enough energy to hold a hose — I think!)

With the onslaught of summer the garden parties are coming along thick and fast.

Ken and Peg Christianson had a group into their "Cantina" last week to promote the horseshoe competition again. Although a lot of the guests she invited were unable to attend, they still ended up with quite a representation.

Those who were able to attend were George and Jane Holmes, Dom and Pat Giangregorio, Matt and Jean Slavin, Forrest and Jean Paxson, Cleto and Vera Dorsey, Joe and Amy Phillips, Bob and Nancy Mueller, Gene and Nancy Rode, Charles and Chrys Golds-worthy, and Ernie and myself. Peg served a delicious Mexican dinner and had enhanced the atmosphere by decorating their patio in a Mexican motif.

Fourth of July was a good time for neighborhood parties. Norm and Ginny White and George and Jane Holmes stirred one up at the last minute that turned out to be a real fun time. They all sort of got lucked the dinner at Jane and George's and the swimming was at the Whites'.

Attending were John and Jean Fricke (Jean just got from a fast trip east while her daughter Dana ran in the Nationals. Dana stayed on an extra week in order to spend the time with Kit Armstrong in Washington, D.C.), Bob and Dot Kenney, Bob and Sara Anderson, and Dennis and Barbara Hogan. The younger set is on an entertaining spree as well. Steve Mueller had a group of his friends over for swimming, dinner and dancing in the patio. A lot of his invited guests were out of town but they still had a good crowd and a lot of fun.

Those able to be there were Ben Rode, Peggy Ryan, Duncan Smith, Sherri Maurin, Kitty Graham, Doug Holmes, Peter Kirst, Paul Maurin, Bob Anderson, Franci Malone, Jane Hansen, Jack Smith, Steve Dorsey, and Jennifer Lackey who was down from Solvang visiting the Langs'.

The Kinneloa Canyon Club have closed their books officially for the summer, but before adjourning they had a bang-up pot-luck salad bar and dessert luncheon. They started out with hot hors d'oeuvres, barbecued over hot coals, and then had luncheon. This particular affair is always an outstanding success, because all of the ladies bring their best recipes... needless to say there is a great deal of exchanging at the time.

The party was held at the lovely home of Mrs. Arthur (Leona) Schwab. Mrs. Brewster (Carol) Benedict, this year's president was co-hostess. She made tissue paper flowers in gold to complement the bright table cloths. It was a lovely way to introduce some of the newcomers to the group.

Speaking of Mrs. Benedict, she is going to be home for the month of July and has been enjoying a visit with her sister, Mrs. Ed (Verna) Knapp who came down from Bakesfield with her two children, Robin and Cheryl, to stay for a few days. They have been having fun shopping, and swimming around in some of the local pools.

Assistant - assistant manager" and Mrs. "A. A. M."

Bob Snetsinger had the "Beavers" Little League team for a hot-dog and swimming party to kind of break up the season's play and to encourage the boys on to their final lap.

There are 14 members but a few were out of town and unable to attend the lively function.

The Snetsingers seem to have a mountain of hot dogs and buns (I peeked over the cliff) and a huge bowl like container full of ice and cold drinks and believe me there wasn't much left by the time the hungry athletes got through with their barbecue.

Those invited to the party were Mr. Don Paradis, the manager of the team, Mrs. Paradis, Mr. Bill Herring, the assistant manager and the boys were Peter Holst, Danny Stuard, Pat McIntyre, Steve Herring, Steve, Jim and Tom Tartaglione, Bill and Michael Huhn, Steve Paradis, Dick Larsen, Bill Seltz, and Jim and David Snetsinger.

## Security First At All-Time Earning Peak

Security First National Bank reported recently that consolidated net operating earnings for the first six months of 1966 were at an all-time high, rising 14.8 per cent above the same year-ago period. Lloyd L. Austin, chairman of the board, said earnings for the second quarter were the highest for any quarter in the bank's history and were 16 per cent ahead of the like 1965 period.

Total resources, total loans, time deposits and total deposits also were at record levels as of June 30, Austin said.

Net operating income for the first half ended June totaled \$19,212,748, equal to \$1.68 per share on the 11,400,000 shares outstanding. This compared with \$16,741,977, or \$1.47 per share in the comparable six months of 1965.

Loans, less reserves at June 30, totaled \$2,788,865,232, against \$2,436,862,698 a year earlier.

Capital funds amounted to \$342,640,019, compared with \$328,755,549 in the year-ago period. Total securities were \$1,236,165,163, compared with \$1,451,705,627 a year ago.

## Sierra Madre Receives Share In Motor Tax

Sierra Madre received a total of \$64,554.41 for its portion of the State Motor Vehicle License fee for the period of December 1 to May 31.

The first payment on this amount was \$49,381.00 in April and the balance of \$15,173.41 was received in June.

The allocation now amounts to \$6.24 for each city resident and \$4.72 for each county resident, and Sierra Madre is based on a population of 11,300. The distribution is in three payments, one in December, April, and final in June.

YOUR CHURCH IS  
WAITING FOR YOU

Thursday, July 14, 1966 SIERRA MADRE NEWS—13

## We Object To Pirating Contingency Fund

commendations on matters such as this?

Who in Sierra Madre, outside of the combine, wants the \$120,000 Fire Station? Where is the wholehearted and enthusiastic support of the Fire Department and other responsible groups? We consider new police facilities to be a must and should be the first expenditure to be considered by the Council. Therefore, we con-

sider the proposed \$120,000 Fire Station to be a sham, but the most ludicrous part of the proposal is the statement that by building a Fire Station, the space now occupied by the Fire Department would be released for additional police facilities. Was it not the Maddox-Wagner ticket that stated their independent surveys showed that the present city hall was not worth remodeling?

Personally, I have always been in favor of the Youth Center, but unfortunately the expenditure has been included with some very questionable items so it now appears that any support for the Youth Center would be contingent upon the support for the other \$180,000 expenditures.

We have asked the City Council to vote NO on the entire group of expenditures, which not only would end the controversy but would allow the Council plenty of time to study the overall needs of Sierra Madre. Remember the Maddox-Wagner combine wanted to study the needs for a new Civic Center, perhaps taking a year to do so.

If the Council fails to support our position we, the concerned citizens, will file the necessary petitions to request the Council to place each and every item on the ballot, or as a lump sum, which would seem to be preferable to us.

We are asking the Sierra Madre News to support us in our actions as we are concerned that this wild spending program will wreck our city financially. After all, what is so different about not spending \$245,000 for a new city hall and spending \$220,000 for several specious items?

# A Community Builder at work

**I**T may not SEEM very important... just one little purchase you make over the counter in some store. But it makes you an active Community Builder... because the growth and prosperity of ANY area is determined by the sum of the large and small business transactions that take place within it. When its Trade Volume goes up, so does the strength of its schools, its churches, and other civic facilities, and its business firms can offer better service, and a better selection of goods.

And... since your everyday buying makes you a Community Builder... isn't it smart to do your building in YOUR OWN community... so YOU can enjoy the benefits of it?

## It Pays to Buy Where You Live

These firms are genuinely interested in the future of our Community and your welfare . . . patronize them
